Transition IEP and Transition Portfolio Work Session Breakout Rooms

Participants will have time to join breakout rooms to ask questions and gather feedback on IEPs and/or Portfolios.

Who should attend: Special education educators, coordinators, and administrators; employment professionals; agencies; and individuals and their families working together to support students with quality IEPs and portfolios leading to a full life after high school.

What to expect: This comprehensive 6-session series, each 1.5 hours long, delves into the nuances of crafting high-quality transition IEPs and portfolios. You will learn how to use these tools as powerful gateways to competitive, integrated employment and a fulfilling life.

Each virtual session will:

- Unpack the key components of each transition IEP section.
- Explore the connections between IEP goals and portfolio objectives.
- Provide practical strategies for effective implementation.
- Facilitate interactive breakout sessions for Q&A and peer support.

These sessions will not be recorded.
